Re: PAYROLL - GARY MOLCHAN

Tom,

As per our conversation yesterday, June 25, 1980, please be advised that you should have Mr. Gary Molchan eliminated from our N.Y. payroll effective June 13, 1980.

Mr. Molchan has been put on Regional Management's (RM's) Combe Fill Corporation payroll effective June 16, 1980.

Please have the Payroll Department inform me, at the Westport Office, of the amount normally deducted (on a monthly basis) for his stock purchase plan. I will then initiate a check out of Combe Fill, on a monthly basis, to the N.Y.O. to cover that amount.

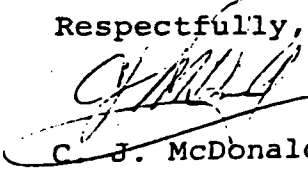

Mr. Molchan should still be covered by the N.Y.O. for all benefits and associated fringes. This amount, along with his car payment, is presently being paid by RM in its monthly management fee to ESD.

COMBE FILL CORPORATION

Respectfully,

C. J. McDonald
Director
